General Sales Condition

Generality

- a. These general conditions of sale shall apply only to relationships between Mantovanibenne Ltd. and its customers, particularly the exclusion of any general or special conditions placed by the client, except where Mantovanibenne Ltd will accept explicitly and in writing.
- b. All orders will be automatically entitled to membership without reservation by the client with all the conditions set out in this document and, if necessary, to any special conditions specified in the order.
- c. Any clause or special conditions of purchase which appear on the order of the customer and which were contrary to the present conditions, will be considered void.
- d. These general conditions apply to all transactions of sale of Mantovanibenne SRL
- e. The sales contract does not occur after its acceptance by Mantovanibenne SRL, is materialized by a confirmation of order, both from a delivery document to replace the order confirmation.
- f. Prices, specifications and information found on the catalogs, brochures and price lists, general or other documents of advertising matter do not constitute a commitment on the part of Mantovanibenne Srl, and may change without any notice from Mantovanibenne Srl, who reserves the right to make any change of arrangement, shape, size or material to all its products.
- g. The obligations of Mantovanibenne Ltd. can not find that the commitments contained in the order received, in these general conditions, or by a written document issued by Mantovanibenne Srl
- h. No addition, omission or modification of any provision contained in these general conditions may be a commitment on the part of Mantovanibenne Ltd, unless its acceptance in writing.
- i. The studies and documents - any species - are always provided by Mantovanibenne Ltd. its wholly-owned, they must be returned to its rightful owner upon simple request by the latter, without the need for any action through the courts. These studies and documents can not, under any circumstances, be disclosed to third parties, used or copied without permission in writing from Mantovanibenne Srl For the purposes of this clause, the customer is responsible for its own employees and agents of self - same.

1. Quotes, offers, price lists, quotes

The price lists, technical data, quotes, bids and quotes are not binding in any way nor does it constitute acceptance or Mantovanibenne Srl order confirmation.

2. Payment

Unless differently agreed upon in writing, payments are per cash on delivery of each consignment of goods. On delayed payments to the terms agreed shall run in favor of Mantovanibenne Srl interest, the customer may not withhold payment as a form of complaint or dispute.

3. Delivery

Delivery is ex works defendant Mantovanibenne Srl Mirandola (MO), unless otherwise agreed in writing.

Delivery may be delayed due to unforeseen or force majeure (including strikes, including company are included): Mantovanibenne Ltd. assumes no responsibility or obligation in this respect and therefore no damage of any kind may be requested of it for non-delivery.

Where delivery is requested at a place other than the establishment of Mirandola, the goods will travel in cargo, risk, danger and responsibility.

Delivery terms shall be construed as indicative.

4. Property transfer

When payment of the price is deferred, the buyer becomes the owner of the goods only when the full payment of the price, interest and accessories.

5. Warranty conditions

Mantovanibenne Srl guarantees that all products they manufacture are free from defects in materials or both in the work done.

The guarantee is valid for a period of 12 months from date of shipment.

The warranty repair or replacement, at the discretion of Mantovanibenne Srl, the defective part and is carried out with the free supply of spare parts.

They remain charged to the customer the cost of labor and in the case of operations outside the headquarters of Mantovanibenne Ltd or facility designated for technical assistance, including reimbursement of travel expenses and per diem staff intervened, according to the rates in effect at time of surgery. In no case the buyer or user will have the right of rescission or reduction of purchase prices and is expressly excluded from any liability for consequential or incidental damages or compensation for downtime or travel expenses.

The products or defective parts must be sent prepaid to the place of Mantovanibenne Ltd for the repair.

The warranty does not apply to:

- If the details for which intervention is required have been tampered
- If any part of the machinery has been replaced with aftermarket parts or a replacement original installed by trained Mantovanibenne Srl
- If there have been applications of any kind not agreed or authorized in writing by Mantovanibenne Srl
- If the use of the product does not conform to the use for which it was made or is different from that stated in the instructions for use of Mantovanibenne
- For failure, incorrect or incomplete indication of the identity number of the machine
- To use the product in temperatures below -20 ° Celsius or above +68 ° Celsius.

All parts subject to normal wear are to be exempted from the guarantee.

6. Forfeiture guarantee

The warranty is void if you have not met the standards laid down by the manual and maintenance manual provided by Mantovanibenne.

The warranty is void, also, if the buyer is not up to date with payments.

7. Bar of jurisdiction

Any dispute relating to the products Mantovanibenne Srl, including those relating to their operation and to guarantee acceptance of the exclusive jurisdiction of the Court of Modena.
